Welcome to Living Savior Preschool (LSP). We are a Christian program and a part of the Church's outreach to the community. We look forward to being a part of your child's preschool experience.

Virginia Licensed Program: We are licensed through the **Department of Education** by the **Commonwealth of Virginia**.

Philosophy and Objectives: Living Savior Preschool is committed to providing a safe and nurturing early childhood program which promotes the successful growth and development of each child intellectually, physically and social-emotionally. The Living Savior Preschool staff effectively communicates with and supports all families in order to establish a community partnership in the development of all children. Living Savior believes that through our commitment and standards of excellence, children will develop curiosity, confidence, the love of learning, the ability to problem solve and social and emotional maturity. These skills and characteristics are all necessary for success.

Curriculum: Living Savior integrates *The Creative Curriculum* and *The Virginia Milestones of Child Development* with our curriculum themes and content areas as a means for planning a developmentally appropriate environment for children to grow and learn. In addition, a Parent Orientation will be held after classes have begun. In late July, LSP will mail an enrollment letter to each student, which will include information on all necessary paperwork, as well as open house information. **All paperwork must be completed and returned on or before your child’s open house date.** A **Virginia School Entrance Health Form** including the shot record **must be completed before your child begins school.**
